

Twink Futrelle/Mary Beth Koprovic John Curtis, I already promised I'll be good. My days of criminal activity are now over for good. I'm pretty sure...

Justin Waverly/Rham Cunningham Interim pastor by day, Facebook junkie by night, Justin "Rham Cunningham" Waverly is proud to be a part of another hilarious production at FSLT. Make sure we hear you laughing...it's our fuel. Enjoy!

John Curtis Buntner/Michael Richardson He remains confident in his actions, which are sometimes a step behind everyone else, he seems to always fear the worst, yet he can save the day. he is the "King" in our story yet humble.

Patsy Price/Nancy Blochberger At the top of the social ladder in Fayro, Patsy is on the bottom rung as a human being. With as many character flaws as she has dollars in the bank, she is hard to love, but fun to portray. You'll see Patsy give a whole new meaning to "being on the wagon."

Rhonda Lynn Lampley/Cindy Clark Imagine looking for your biological family and finding out it is the Futrelles - the family that puts the "fun" in dysfunctional! No doubt she will be scarred for the rest of her life!

Raynerd Chism/ Bradley Kidder, Jr. Raynerd Chism, lifelong fixture and resident of Fayro, TX, is a 40-year-old simple man who would not harm a fly, nor understand if he was harmed by one. Raynerd is a child at heart whose body grew up around him. He is loved by most, tolerated by some, loves life and the people in it - but the highlight of his year is the Christmas season. And this year, Raynerd gets to play a shepherd in the Tabernacle of the Lamb annual Christmas program! And boy is he excited about that...

Director's Notes

It's time to visit the Futrelle sisters and as always chaos abounds. Frankie is impatiently awaiting the birth of her second set of twins and is hiding a big secret from her sisters. Twink is residing in the local jail and Honey Rae is directing the local Christmas pageant to the chagrin of Miss Geneva who still tries to run everything. Poor Dub is passing a kidney stone and Justin is having difficulty finding the right time to ask Gina Jo a very important question. John Curtis and Patsy Price reveal different sides of themselves. To add to the confusion two new residents appear, Reynard Chisholm who works at the Dairy Dog and Rhonda Lynn Lampley. Now how does she fit in?

Sit tight and you just might find out. Welcome to Fayro, Texas.

Notes from the Cast

Miss Geneva Musgrave/Carole Rogers OK, People, Listen Up! We have had an amazingly fun time putting this show together for you. Hope you enjoy it. Merry Christmas and Feliz Navidad to y'all and yours from all of us in Fayro, Texas. No need to thank me!!

Gina Jo Dubberly/Michelle Niewald G.J. is a lovable, naive, nurturing loving girl who lives in her own world! Behind the blank stare is a delightful woman with a heart of gold.

Honey Raye Futrelle /Debbie Carney Honey Raye is thrilled to be directing the Fayro, Texas Christmas program, and is going all-out to make it the event of the season. Can she overcome all of the crazy events that threaten to sink the show? And the bad news that people keep bringing her? Can she bring her family together despite their differences? She's ready to try!!!

Frankie Futrelle Dubberly/Nikki McDaniel Frankie Futrelle is in a BAD mood! You would be, too, if you were nine months pregnant with twins while harboring a huge family secret. You can't miss me in this show - literally!

Dub Dubberly/Richard Van Wagoner Come on now...Who doesn't love Santa? Well, Dub does not do pain well, and it shows, but he is the family man and both 'sympathetic and supportive' of whatever the plan. What a fun train ride.
