

## DIRECTOR'S NOTE

What a fabulous show to have had the honor to direct as the last production of the FSLT 2013 season! It's been a lot of fun bringing this classic Christmas story to life on the stage!

I want to shout out a special THANK YOU to my cast and crew who have helped tremendously in putting together this show. We not only braved the snow and ice; but some of us even shed some blood for this show! Melissa, thank you for stepping in and being my producer at the last minute—you've been very helpful. Thank you, Jennifer, for learning how to run the light board and spending hours cleaning and painting! Joseph, thanks for designing my lights and giving fabulous direction to my actors on how to portray the story. The live music is always wonderful, Wesley! Zack, I love the sound effects and especially appreciate your sets and all the help and advice you've given! Nathan, you have been my biggest help of all—stage managing and stepping in whenever you can—thank you from the bottom of my heart! And last, but certainly not least, Dalton, Amanda, Zach, Eric, and Victoria—thank you all for accepting your roles and doing a beautiful job in this show! I love you all so much!

Merry Christmas and happy holidays!

—Shannon Stoddard, Director
