TEN LITTLE INDIANS

Ten little Indian boys going out to dine,
One choked his little self and then there were nine.
Nine little Indian boys sat up very late.
One overslept himself and then there were eight.
Eight little Indian boys traveling in Devon.
One got left behind and then there were seven.
Seven little Indian boys picking up sticks,
One chopped himself in half - then there were six.
Six little Indian boys playing with a hive;
A bumble bee stung one, and then there were five.
Five little Indian boys going in for law,
One got in Chancery, and then there were four.
Four little Indian boys going out to sea,
A red herring swallowed one and then there were three.
Three little Indian boys walking in the Zoo.
A big bear hugged one and then there were two.
Two little Indian boys sitting in a row,
Thinking as they guzzle, who's the next to go?
One little Indian boy, left all alone.
He went and hanged himself and then there were none.
