**The Surprising
Christmas Pageant**

by Dennis Hartin

December 9, 10, 11, 2004

Author Dennis Hartin says: Any attempt by poor ordinary people (like you and me) to tell the story of God's grace can be only a poor shadow of the glory and the mystery of God, no matter what kind of budget or special effects can be employed. With that in mind, approach the task as simply as possible, asking for God's grace, and expecting to be surprised. Think of it as a sermon with vivid illustrations.
