## DIRECTOR'S NOTE

*"A good laugh heals a lot of hurts."  
- Madeleine L'Engle*

As much as I love being on stage at FSLT, directing holds a special place in my heart. I usually enjoy directing the strange & unusual, horrors & dramas; however, the first time I saw 'Noises Off', I fell in love with it so much that I knew I had to direct it.

As an actor, comedy is what I'm drawn to the most, so this is right up my alley. I've been doing physical comedies for a long time, and I'm having a blast with 'Noises Off'. This cast is what makes the show phenomenal. Every cast member is so talented, and they bring each character to life with ease. They have all worked so hard, and I'm extremely proud of them.

'Noises Off' is known as the best farce out there, and I completely agree. We have all been laughing since our very first rehearsal! So, I hope you're ready for an evening of fun. *Tears of laughter guaranteed!*

To my biggest fan - Trudie, mommy loves you sweetheart! Thank you for being the biggest joy in my life.

~ SUMMER ROBINSON

## CAST BIOS

**ERIC WELLS** ..... as *Frederick Fellowes*  
Freddy's back! Same name, only a new character. I'm so thrilled to be a part of 'Noises Off'. It has been a while since I have been in a comedy, and this is my first farce! I am having so much fun with our amazing cast and crew. I guarantee you will literally laugh out loud!

**GARRETT YOUNG** ..... as *Lloyd Dallas*  
The show celebrates theatre itself. It offers a non-actor, a view of what it is like to be in a show. I have always loved this story for the depth it gives it's characters. To quote my character Lloyd, "blah blah blah, something about the depth of human interaction, blah blah..."

**IAN MILLER** ..... as *Garry Lejeune*  
I am super excited to be back on the FSLT stage with yet another hilarious farce! This show will have you laughing from start to finish - I promise you that! Many people say that comedy is my forte; I'll let you be the judge of that, after watching this show! AND, Oh yeah, Sardines!!!

**JAMIE LAMBDIN** ..... as *Poppy Norton-Taylor*  
I am incredibly excited to be on stage again at FSLT, and I am loving the chance to experience this show with so many friends! What I love most about this show, is the way the drama (and therefore the comedy) never stops! I hope that audiences will love this crazy cast of characters just as much as we have loved portraying them.

**JOHN HALL** ..... as *Selsdon Mowbray*  
I love cats, and this show is like herding them. I play Selsdon - an elderly, drunken, partially deaf actor. We hope you have fun, and we who are about to entertain, salute you!

**JORDAN GARTON** ..... as *Belinda Blair*  
I could not be more thrilled to be a part of this group! I've loved this play since I first saw it several years ago, and when I heard it was part of this year's line-up, I knew that I had to be a part of it in whatever capacity I could! I am honored to play the two-faced gossip, Belinda - and I hope you enjoy her as much as I've enjoyed playing her!

**JUSTIN GARTON** ..... as *Tim Allgood*  
After performances with UAFS and ATU Theatre, River Valley Arts Center, and FSLT, I took a three-year hiatus to raise my family while doing some commercial and film work on the side. This is my first FSLT performance since 'The Wizard of Oz' in 2015 - and I am stoked! It is so great to be back on this stage doing what I love, with the woman I love, and all my friends. Also, to my daughter Olivia - Daddy loves you!!!

**LINDSAY VICKERY** ..... as *Brooke Ashton*  
I am so excited to get to stretch my comfort zone when it comes to roles I have played onstage, and portray the self-absorbed, ditsy, and sexy character of Brooke. This show has been the most challenging as well as the most hilarious one that I've ever been in. I will always remember this experience, and the new friends I have made forever. So, here's to losing contacts, and saying sardines a lot!

**MARGARET CLYMER** ..... as *Acting Crew 2*  
This is my second foray into the theatre. I literally had stage withdrawl from ending 'Night of the Living Dead' as a zombie. I have a penchant for comedy and have been embraced by all in the cast. I am so lucky to learn from so many talented people I now consider as friends.

**MONICA LONGORIA** ..... as *Dotty Otley*  
I'm thrilled to be back on stage at FSLT. Five years has been way too long! This play is hilarious and I am absolutely happy to be a part of it. It's my first comedy, and the experience has been great. Be ready to let go and laugh!!!

**TYLER BASHAM** ..... as *Acting Crew 1*  
This is my third show with FSLT. I'm a machinist by trade, but an actor at heart! Best part of the show has gotta be the actors - this group jives so well together that the stage comes alive...
