**DIRECTORS' NOTE:**

We are honored to open FSLT's historic 75th season with an audience-favorite that first premiered on this stage almost 24 years ago! For those who saw the first production, welcome back to Mount Pleasant! For those seeing it for the first time, get ready for a night of music and testimony. This talented cast has been such a pleasure to work with, having live bluegrass instruments onstage and skillful people to play them has added so much musical depth and enjoyment, and this show would not be what it is without our wonderful crew. It's been a rich experience for us to get to direct together for the first time, and to be able to share the stage with our cast, which, for one of us, has provided a chance to reprise his role from the first production. For the next couple of hours, you are part of the congregation of Mount Pleasant, so enjoy watching and listening to this family as they share their hopes, joys, regrets, and love for each other. We wouldn't blame you if you start toe tapping, clapping, and even singing along with the rest of the family! The doors of Mount Pleasant swing on welcome hinges!
