Cast List

in the order of their appearance on stage

- ♥ DEANIE LOOMIS ----- *Victoria Jones*
I am everyone's favorite daughter, but in this show
- ♥ BUD STAMPER ----- *Ian Miller*
After doing comedy for so many years, it has taken me this long to find the tears. Enjoy!
- ♥ MRS. LOOMIS ----- *Micki Voelkel*
Despite having no kids of my own, I'm playing yet another toxic mother. Is the Universe telling me something?
- ♥ DEL LOOMIS ----- *Brad Kidder, Jr.*
It was just a matter of time... .. I've been a widower, I've been an idiot, and I've been angry. Now I'm a daddy. Make the screaming stop.
- ♥ ACE STAMPER ----- *Mike Southern*
As far as me playing Ace - he's an overbearing hard-headed blowhard. Oh well, type-cast again!
- ♥ MRS. STAMPER ----- *Louise Barling*
My sons are good-looking, my daughter has a mind of her own, and my husband bears little resemblance to Ace. I prefer to avoid conflict.
- ♥ GINNY STAMPER ----- *Summer Ferguson*
I have a gift for doing accents - but when I went to Chicago for 7 days, everyone was more fascinated by my natural Texan accent instead of my impressions.
- ♥ MISS METCALF ----- *Jane Wineland*
I 'AM' Miss Metcalf.
- ♥ JUANITA ----- *Valerie Baldwin*
I am used to playing straight-laced characters. So, now I am enjoying playing the floozy for once!
- ♥ KAY ----- *Taylor Engel*
This is my first play and it's been fun! I like the style of the 1920s, because it's a classic era.

- ♥ JUNE ----- *Emilee Dale*
Like June, I am a loyal friend (when it's best), and you'll never hear me repeating gossip (listen close the first time). 'Don't we have a wedding to plan?'
- ♥ TOOTS ----- *Aaron Ray*
I am in love with this character, mainly because of the name.
- ♥ RUSTY ----- *Landon Satterfield*
Other than reddish hair, Rusty and I have little in common. However, this is a good thing; I've never talked bad about girls or tried to hide being a nerd.
- ♥ GLENN ----- *Duff Taylor*
Enjoying playing this bootlegger character! I have ten lines and less than two minutes on stage - but this is my best role yet.
- ♥ ARNOLD ROSS ----- *Eric Wells*
Behind this happy-go-lucky Eric is a college boy named Arnold, with a dark-side. You can say, it's a whole new world...!
- ♥ DOC SMILEY ----- *Joe Graham*
After 'Leading Ladies', this is the year of the doctor for me.
- ♥ ANGELINA ----- *Kayla Thompson*
Breaking out in my first FSLT role with a fun Italian accent, and stealing the leading man - where will my journey lead next?
- ♥ JOHNNY MASTERSON ----- *Robert Montgomery*
As this character, all I can say is - 'Go for it!'
- ♥ DOCTOR JUDD ----- *Matthew Ortega*
Looks like my character is the grandfather of Dr. Frasier Crane, and also had the original idea for 'match.com' ...!
