

Director's note:

This Christmas classic is a story we both have enjoyed most of our lives. We've dreamed of bringing it to life in the stage for many years and studied, planned, and collaborated for at least two years in order to bring this production into being. But all of that dreaming and planning would have been for naught if it wasn't for this incredibly talented group of people working on our dream. Our talented cast and expert crew have worked tirelessly to bring you a production we hope will be as moving and thought-provoking as it is entertaining. And for that, we cannot thank them enough. We hope you enjoy this show as much as we have enjoyed watching it grow. God bless you everyone!
