

## Note From the Director

I am so grateful to the FSLT for allowing me to direct this beautiful piece! I have loved Rodgers & Hammerstein's music since my mom took me to see *The Sound of Music* on the big screen, when I was a little boy. I'm so thankful that all of you took the time to come see this production. I hope you will hear many songs you remember and a few that you might have never heard before. Now sit back, relax, and see how many of the over 30 tunes you can remember! My thanks to everyone who helped make this show a reality! Enjoy!

-Barry Law
