Lexi Housley

Director's Note

Hey everyone and welcome! Hall & Mark started as a joke actually. My friend Hunter and I have put together a handful of parody shows like this over the years, but it had been a while since our last. When I found out I would be directing the off-season Christmas show for FSLT, I called Hunter to let him know. I jokingly said, "I wish we could write another show" and he quickly said "let's do it!".

While writing and creating like this is so fun for us, absolutely none of it would be possible without the incredible cast and crew to help bring a bonkers show like this to life!

To the cast, you all are superstars.

To the crew, you all are rockstars.

Thanks so much for coming, and we hope this gets you in the holiday spirit!

XOXO, Grace Andrews

Special Thanks

Hunter, thanks for sticking with me for this long and thinking our ideas are funny.

My friends I asked to sign onto this show, thanks for still doing it even though we didn't get you a script until a couple of weeks ago.

Thanks to the Bonneville House for hosting our rehearsals.

Many thanks to ABC Printing & Signs for donating our fabulous opening night programs!

FSLT, thanks for letting me (Grace) do this even though I lied and said it would be a "Christmas Variety Show." (Surprise!)

To literally anyone that comes to watch this,
thank you for coming and
TELL EVERYONE YOU KNOW!

Hallmark, thanks for being you (and please don't sue us).

*Please join us after the
show for festive treats!*
